All Scheduled Commercial Banks (including RRBs)

All Small Finance Banks and Payments Banks

Dear Sir/ Madam,

Customer Protection – Limiting Liability of Customers in Unauthorised Electronic Banking Transactions

Please refer to our circular DBOD.Leg.BC.86/09.07.007/2001-02 dated April 8, 2002 regarding reversal of erroneous debits arising from fraudulent or other transactions.

2. With the increased thrust on financial inclusion and customer protection and considering the recent surge in customer grievances relating to unauthorised transactions resulting in debits to their accounts/ cards, the criteria for determining the customer liability in these circumstances have been reviewed. The revised directions in this regard are set out below.

Strengthening of systems and procedures

3. Broadly, the electronic banking transactions can be divided into two categories:

(i) Remote/ online payment transactions (transactions that do not require physical payment instruments to be presented at the point of transactions e.g. internet banking, mobile banking, card not present (CNP) transactions), Pre-paid Payment Instruments (PPI), and

(ii) Face-to-face/ proximity payment transactions (transactions which require the physical payment instrument such as a card or mobile phone to be present at the point of transaction e.g. ATM, POS, etc.)

4. The systems and procedures in banks must be designed to make customers feel safe about carrying out electronic banking transactions. To achieve this, banks must put in place:

(i) appropriate systems and procedures to ensure safety and security of electronic banking transactions carried out by customers;

(ii) robust and dynamic fraud detection and prevention mechanism;

(iii) mechanism to assess the risks (for example, gaps in the bank's existing systems) resulting from unauthorised transactions and measure the liabilities arising out of such events;

(iv) appropriate measures to mitigate the risks and protect themselves against the liabilities arising therefrom; and

(v) a system of continually and repeatedly advising customers on how to protect themselves from electronic banking and payments related fraud.

Reporting of unauthorised transactions by customers to banks

5. Banks must ask their customers to mandatorily register for SMS alerts and wherever available register for e-mail alerts, for electronic banking transactions. The SMS alerts shall mandatorily be sent to the customers, while email alerts may be sent, wherever registered. The customers must be advised to notify their bank of any unauthorised electronic banking transaction at the earliest after the occurrence of such transaction, and informed that the longer the time taken to notify the bank, the higher will be the risk of loss to the bank/ customer. To facilitate this, banks must provide customers with 24x7 access through multiple channels (at a minimum, via website, phone banking, SMS, e-mail, IVR, a dedicated toll-free helpline, reporting to home branch, etc.) for reporting unauthorised transactions that have taken place and/ or loss or theft of payment instrument such as card, etc. Banks shall also enable customers to instantly respond by "Reply" to the SMS and e-mail alerts and the customers should not be required to search for a web page or an e-mail address to notify the objection, if any. Further, a direct link for lodging the complaints, with specific option to report unauthorised electronic transactions shall be provided by banks on home page of their website. The loss/ fraud reporting system shall also ensure that immediate response (including auto response) is sent to the customers acknowledging the complaint along with the registered complaint number. The

communication systems used by banks to send alerts and receive their responses thereto must record the time and date of delivery of the message and receipt of customer's response, if any, to them. This shall be important in determining the extent of a customer's liability. The banks may not offer facility of electronic transactions, other than ATM cash withdrawals, to customers who do not provide mobile numbers to the bank. On receipt of report of an unauthorised transaction from the customer, banks must take immediate steps to prevent further unauthorised transactions in the account.

Limited Liability of a Customer

(a) Zero Liability of a Customer

6. A customer's entitlement to zero liability shall arise where the unauthorised transaction occurs in the following events:

(i) Contributory fraud/ negligence/ deficiency on the part of the bank (irrespective of whether or not the transaction is reported by the customer).

(ii) Third party breach where the deficiency lies neither with the bank nor with the customer but lies elsewhere in the system, and the customer notifies the bank within **three working days** of receiving the communication from the bank regarding the unauthorised transaction.

(b) Limited Liability of a Customer

7. A customer shall be liable for the loss occurring due to unauthorised transactions in the following cases:

(i) In cases where the loss is due to negligence by a customer, such as where he has shared the payment credentials, the customer will bear the entire loss until he reports the unauthorised transaction to the bank. Any loss occurring after the reporting of the unauthorised transaction shall be borne by the bank.

(ii) In cases where the responsibility for the unauthorised electronic banking transaction lies neither with the bank nor with the customer, but lies elsewhere in the system and when there is a delay (of **four to seven working days** after receiving the communication from the bank) on the

part of the customer in notifying the bank of such a transaction, the per transaction liability of the customer shall be limited to the transaction value or the amount mentioned in Table 1, whichever is lower.

Table 1

Maximum Liability of a Customer under paragraph 7 (ii)

Type of Account	Maximum liability (₹)
• BSBD Accounts	5,000
• All other SB accounts • Pre-paid Payment Instruments and Gift Cards • Current/ Cash Credit/ Overdraft Accounts of MSMEs • Current Accounts/ Cash Credit/ Overdraft Accounts of Individuals with annual average balance (during 365 days preceding the incidence of fraud)/ limit up to Rs.25 lakh • Credit cards with limit up to Rs.5 lakh	10,000
• All other Current/ Cash Credit/ Overdraft Accounts • Credit cards with limit above Rs.5 lakh	25,000

Further, if the delay in reporting is beyond **seven working days**, the customer liability shall be determined as per the bank's Board approved policy. Banks shall provide the details of their policy in regard to customers' liability formulated in pursuance of these directions at the time of opening the accounts. Banks shall also display their approved policy in public domain for wider dissemination. The existing customers must also be individually informed about the bank's policy.

8. Overall liability of the customer in third party breaches, as detailed in paragraph 6 (ii) and paragraph 7 (ii) above, where the deficiency lies neither with the bank nor with the customer but lies elsewhere in the system, is summarised in the Table 2:

Table 2

Summary of Customer's Liability

Time taken to report the fraudulent transaction from the date of receiving the communication	Customer's liability (₹)
Within 3 working days	Zero liability
Within 4 to 7 working days	The transaction value or the amount mentioned in Table 1, whichever is lower
Beyond 7 working days	As per bank's Board approved policy

The number of working days mentioned in Table 2 shall be counted as per the working schedule of the home branch of the customer excluding the date of receiving the communication.

Reversal Timeline for Zero Liability/ Limited Liability of customer

9. On being notified by the customer, the bank shall credit (shadow reversal) the amount involved in the unauthorised electronic transaction to the customer's account within 10 working days from the date of such notification by the customer (without waiting for settlement of insurance claim, if any). Banks may also at their discretion decide to waive off any customer liability in case of unauthorised electronic banking transactions even in cases of customer negligence. The credit shall be value dated to be as of the date of the unauthorised transaction.

10. Further, banks shall ensure that:

(i) a complaint is resolved and liability of the customer, if any, established within such time, as may be specified in the bank's Board approved policy, but not exceeding 90 days from the date of receipt of the complaint, and the customer is compensated as per provisions of paragraphs 6 to 9 above;

(ii) where it is unable to resolve the complaint or determine the customer liability, if any, within 90 days, the compensation as prescribed in paragraphs 6 to 9 is paid to the customer; and

(iii) in case of debit card/ bank account, the customer does not suffer loss of interest, and in case of credit card, the customer does not bear any additional burden of interest.

Board Approved Policy for Customer Protection

11. Taking into account the risks arising out of unauthorised debits to customer accounts owing to customer negligence/ bank negligence/ banking system frauds/ third party breaches, banks need to clearly define the rights and obligations of customers in case of unauthorised transactions in specified scenarios. Banks shall formulate/ revise their customer relations policy, with approval of their Boards, to cover aspects of customer protection, including the mechanism of creating customer awareness on the risks and responsibilities involved in electronic banking transactions and customer liability in such cases of unauthorised electronic banking transactions. The policy must be transparent, non-discriminatory and should stipulate the mechanism of compensating the customers for the unauthorised electronic banking transactions and also prescribe the timelines for effecting such compensation keeping in view the instructions contained in paragraph 10 above. The policy shall be displayed on the bank's website along with the details of grievance handling/ escalation procedure. The instructions contained in this circular shall be incorporated in the policy.

Burden of Proof

12. The burden of proving customer liability in case of unauthorised electronic banking transactions shall lie on the bank.

Reporting and Monitoring Requirements

13. The banks shall put in place a suitable mechanism and structure for the reporting of the customer liability cases to the Board or one of its Committees. The reporting shall, *inter alia*, include volume/ number of cases and the aggregate value involved and distribution across various categories of cases viz., card present transactions, card not present transactions, internet banking, mobile banking, ATM transactions, etc. The Standing Committee on Customer Service in each bank shall periodically review the unauthorised electronic banking transactions reported by customers or otherwise, as also the action taken thereon, the functioning of the grievance redress mechanism and take appropriate measures to improve the systems and procedures. All such transactions shall be reviewed by the bank's internal auditors.

14. The instructions contained in this circular supersede some of the instructions contained in our Master Circular DBR.No.FSD.BC.18/24.01.009/2015-16 dated July 1, 2015 on Credit Card, Debit Card and Rupee Denominated Co-branded Pre-paid Card Operations of Banks and Credit card issuing NBFCs as detailed in the Annex.

Yours faithfully,

(Prakash Baliarsingh)
Chief General Manager

Dear Mr. Singh,

Thank you for writing to Axis Bank.

This is with reference to your email dated 21-01-2026 in relation to the unauthorized transaction on your Axis AMEX Privilege Credit Card account ending with 6559.

The reference number for this interaction is 260121219966.

We regret the inconvenience caused and appreciate your patronage. We endeavor to make your banking relationship with us as comfortable as possible.

Transaction Narration:

22/01/2026 21/01/2026 Billdesk*AMAZON,MUM 370987*****7619 105,766.00 DB

Following a thorough investigation into your complaint, it has been determined that the above disputed e-commerce transaction conducted via your credit card account was processed through a secure channel. This transaction was authenticated using a One-Time Password (OTP), which is sent exclusively to your registered mobile number ending with 2051. Furthermore, transaction required credit card credentials—including the card number, expiry date, and CVV—which are confidential and known only to the cardholder.

It is important to note that OTP-based transaction cannot be completed unless all the required confidential details are entered correctly. This indicates that the individual executing this transaction possessed the necessary information. Axis Bank bears no liability for any loss or damage resulting from the customer's failure to safeguard their confidential information, as outlined in the terms of service.

Given that this transaction was conducted securely with OTP verification, we are unable to accept your claim of fraudulent activity. Consequently, we regret to inform you that we cannot process a refund for the disputed amount.

We advise you to escalate this matter to the appropriate police authorities. Please provide them with any relevant details regarding how, when, and to whom you may have inadvertently disclosed your confidential information. Axis Bank will fully cooperate with the police and provide all necessary information to aid in their investigation.

We request you to make the payment towards the statement generated for the month of February 2026 to avoid any accrual of charges on your credit card account.

The Bank's stance in the matter has been reviewed and approved by the Bank's Internal Ombudsman.

In case you are still not satisfied with the resolution provided, you may approach the Banking Ombudsman for redressal of your complaint by logging into the appended link:

Madam/Dear Sir(s),

Closure of your complaint dated 25-02-2026 against AXIS BANK LIMITED regarding Credit Card: Ref. No. RB-IOS-N202526021040716

Please refer to your captioned complaint filed with our office. We have carefully examined the captioned complaint and our observations are given here under.

2. **Your grievance regarding unauthorized transaction of Rs. 1,05,766/- was taken up with Axis Bank. Axis Bank has informed that the disputed transaction is 2 factor authenticated secured transaction completed using customer's complete card credentials i.e. Card number, expiration date, CVV and OTP delivered to the customer which are only known to the customer. From the SMS logs, it is observed that the OTP and the debit SMS notification was delivered to yourmobile number. In terms of RBI Circular RBI/2017-18/15 DBR.No.Leg.BC.78/09.07.005/2017-18 dated July 6, 2017, Para 7(i) "In cases where the loss is due to negligence by a customer, the customer will bear the entire loss until he reports the unauthorised transaction to the bank. " Axis Bank has written to the merchant bank for reversal. Without a formal debit consent from merchant, fund cannot be debited and reversed to you. Further, you were asked by the Office of the RBI Ombudsman, to comment on the information provided by Axis Bank, vide our e-mail dated 12/03/2026. Your reply was dealt and your complaint is treated as dealt with and closed at our end. Compensation, as demanded is not warranted in this case. Please note that the RB-IOS, 2021 is an Alternate Dispute Resolution mechanism and the proceedings thereunder are summary in nature.**

3. In view of the above, we have closed your complaint under Clause **16(2)(a)** of the Reserve Bank - Integrated Ombudsman Scheme, 2021 (RB-IOS), which stipulates the following:

"The Ombudsman may reject a complaint at any stage if in his opinion there is no deficiency in service."

4. This is issued with the approval of the RBI Ombudsman.

5. We request you to provide feedback for the above disposal on https://cms.rbi.org.in.

6. Please note that the complaints closed under Clause **16(2)(a)** of the Scheme are non-appealable under the provisions of the RB-IOS. Should you require any further information or clarification, please feel free to contact our staff on Toll-Free Number: 14448 (Monday to Friday except National Holidays, between 8:00 AM - 10:00 PM).

Bank : Axis Bank Ltd
Branch / Name of Bank and Branch : Credit Card Division, Corporate Office, Mumbai
Account Number : 370987012207619

Subject: Axis Bank Violation of RBI Circular Sec 7 & Refusal to Assist Fraud Victim
Grievance Details:
I am a victim of cybercrime resulting in an unauthorized debit of INR 1,05,766 on my Axis Credit Card (Fraud Card: XX 7619, Current: XX 6559).
I officially reported this fraud to Axis Bank within exactly 35 minutes on 21st Jan 2026. Despite this immediate alert, Axis Bank completely failed to halt the settlement. This violates Section 7 of the RBI Master Circular on Customer Protection, which clearly states customer liability is limited until reporting, after which it is the bank's liability.
An official Cybercrime FIR is active (Ack No: 31901260016169). The RBI Ombudsman closed my complaint based solely on OTP generation, entirely ignoring Axis Bank's post-reporting settlement failure. Furthermore, Axis Bank is ignoring my emails requesting hardship assistance, allowing massive penal charges to compound.
Relief Sought from Ministry of Finance:
I am a genuine customer seeking rational justice. I request the Ministry to execute the following:
Primary Relief: Direct Axis Bank to absorb the 1,05,766 INR liability as mandated by their failure to adhere to Section 7 post-reporting.
Alternate Relief: If the Ministry formally determines my interpretation of the RBI Circular is incorrect, and the bank holds zero liability despite failing to freeze the funds post-reporting, I request a directive for Axis Bank to immediately reverse all late fees and penal interest, and provide a 10-12 month zero-interest repayment plan for the principal to prevent further financial hardship.
CIBIL Protection: Halt negative credit reporting during this review.

Rating Remarks	**I am dissatisfied because the response from Axis Bank only addresses the initial OTP verification and completely ignores the specific issue I raised. My complaint is based on the timeline: I officially reported the fraud to the bank within exactly 35 minutes of the transaction. Despite this immediate alert, the bank still allowed the funds to settle. The reply from the bank does not explain why they failed to stop the settlement after my prompt report, nor does it address Section 7 of the RBI Master Circular regarding post-reporting liability.**

Appeal Number	**DEABD/E/A/26/0006137**
Date of Receipt	**08/05/2026**
Appeal Text	**I am filing this appeal to request a review focused on a specific provision within Section 7 of the RBI Master Circular. My grievance relies on the clause which states that once a customer notifies the bank of an unauthorized transaction, any subsequent liability or loss is to be borne by the bank. Because I officially notified Axis Bank 35 minutes after the transaction, I respectfully request the Appellate Authority to direct the bank to clarify why this exact post-reporting protection is not being applied to my case, given that the funds were allowed to settle after my alert.**
Current Status	**Appeal Closed**
Date of Action	**15/05/2026**
Remarks	**Please see the response of the Bank.**

Complaints Details

Grievance Number: 9422255

Grievance Reg Date: 2026-05-31 00:51:56

Grievance Type :	Complaint
Grievance Details :	I am writing to seek an independent review and resolution regarding an unauthorized debit of INR 1,05,766 on my Axis Bank Credit Card ending with XX 7619 (now currently active card ending with is XX 6559) that occurred on January 21, 2026. This transaction is currently the subject of an active Cybercrime Report (Ack No: 31901260016169) and a registered police complaint. I am raising this grievance to request an evaluation of two specific operational discrepancies regarding this dispute: 1. Interpretation of the RBI Master Circular Section 7(b): The unauthorized transaction was officially reported to Axis Bank 35 minutes after it occurred. In their final written response, Axis Bank stated that the applicability of post-reporting liability under Section 7(b) is not attracted because the transaction was authenticated prior to reporting, and no subsequent new transactions occurred afterward. Section 7(b) of the RBI Master Circular outlines that a customer bears the loss until the unauthorized transaction is reported to the bank, and any loss occurring after the reporting shall be borne by the bank. At the time of my report (35 minutes post-transaction), the funds were authenticated but had not yet undergone final settlement with the merchant. I am requesting the administrative authority to evaluate whether the bank's process of allowing the transaction to settle after the fraud was reported constitutes a "loss occurring after the reporting," thereby placing the liability on the bank as per the circular. 2. Accumulation of Penal Charges on Disputed Amount: Due to the substantial financial impact of this unauthorized debit, I have been unable to clear the disputed principal amount of INR 1,05,766. Consequently, while the cybercrime investigation is active and the principal remains under formal dispute, the bank’s automated systems are continually levying late payment fees, finance charges, and penal interest on the account. I respectfully request an administrative review to determine if these compounding charges should be waived, given that they stem directly from a reported fraudulent transaction under active investigation. Relief Sought: I respectfully request the Consumer Helpline to facilitate a review with Axis Bank for the following: An evaluation of the timeline of the transaction settlement versus the reporting time, and a reversal of the principal amount of INR 1,05,766 if the post-reporting settlement falls under the liability mandate of Section 7(b). A reversal of all late payment fees, finance charges, and penal interest levied on the credit card account since January 21, 2026, due to the ongoing dispute. A directive to the bank to ensure no adverse reporting is submitted to CIBIL regarding the non-payment of these specific disputed charges while the matter is being resolved.

From : pno@axis.bank.in Sent On: 03/06/2026 7:26:08 PM To : mandeep.ranote.267@gmail.com Subject : NCH Complaint 9422255 Mandeep Singh (CaseId : 260601448730) Dear Mr. Mandeep Singh, Thank you for writing to Axis Bank. This is with reference to your complaint raised on National Consumer Helpline (NCH) Portal, in relation to credit card XXXXX7619. Please accept our sincere apology for the inconvenience caused to you. The reference number for the interaction is 9422255 (NCH Portal) and 260601448730 (with the Bank). At the outset, please accept our sincere gratitude for the time taken and effort made by you in sharing your concerns with us. With reference to your complaint, we understand that your query pertains to certain disputed e-commerce transactions reflected in your credit card statement. As per our records, the mentioned transactions (Amazon Seller Services amounting to ₹1240 and ₹87125) were processed through a secure payment channel using a One-Time Password (OTP) sent to your registered mobile number. Such transactions can only be completed when the required authentication details, which are confidential and known only to the cardholder, are entered. We would like to highlight that customers are responsible for maintaining the confidentiality of their card details, passwords, and OTPs. As per the applicable terms and conditions, the Bank shall not be held liable for any loss arising out of sharing such sensitive information with third parties. Further, as the transactions have been authenticated and processed securely, the Bank will not be able to take this matter forward as a dispute. Accordingly, the disputed amount, along with any applicable charges, would be payable by the cardholder. We kindly request you to clear the outstanding dues at the earliest to avoid additional financial charges. However, if you suspect any fraudulent activity, we recommend that you lodge a complaint with the Police/Cyber Crime authorities. Please be assured that the Bank will extend full cooperation and provide necessary details to the investigating authorities, as required. We would also like to reiterate that Axis Bank continuously undertakes customer awareness initiatives and advises all customers to never share their card details, OTPs, or banking credentials with anyone. The Bank never requests such information through calls, messages, or emails. The Bank’s stance in the matter has been reviewed and approved by the Bank's Internal Ombudsman. In case you are still not satisfied with the resolution provided, you may approach the Banking Ombudsman for redressal of your complaint by logging into the appended link: https://cms.rbi.org.in or You may write to the following address: Centralized Receipt and Processing Centre (CRPC) Reserve Bank of India, Central Vista, Sector 17, Chandigarh - 160 017 We thank you for banking with us and look forward to your continued patronage. Dear **Office of the Ombudsman (II),**

Thank you for providing Axis Bank's response. I humbly submit my disagreement with the Bank's decision to close my complaint. Their reply appears to be a standard template that does not take into account the actual cybercrime that occurred, nor the timeline of my reporting.

Please find my specific comments and the attached evidence for your kind perusal:

1. Victim of Cyber-Deception (Phishing) and Proof of Third-Party Fraud:
In their reply, Axis Bank says I "divulged" or willingly shared my details to a third party. This is not true. I was tricked by a sophisticated cyber fraud (phishing). The fraudsters called me under the pretext of a **credit card limit increase**. To gain my trust, they strictly instructed me *not* to share any card details with them over the phone. Instead, they told me to open a link they provided and complete the online process by myself. Believing it was a genuine Axis Bank portal, I proceeded. Unfortunately, it was a fake phishing link that secretly captured my credentials.

Immediately after the fraud, I filed a formal complaint with the Cyber Crime Police (**Please see attached: Stamped Police Report**). During their official investigation, the police obtained the attached order history directly from Amazon and shared it with me. I humbly request you to check this official data **(Please see attached: CRIM1471218 2026 DS.xlsx)**, which clearly proves:

- **Item Purchased**: "Bangalore Refinery 24k Gold Bars" for the exact disputed amount of INR 105,766.00 using my card ending in 7619.
- **Fraudster's Identity**: Ordered by a third party named **Mukesh Kumar** (Email: mukesh3kumar31@gmail.com / Phone: 7838092721).
- **Delivery Location**: The gold was physically delivered to **Noida, Uttar Pradesh (Zip: 201301).** I declare that I have absolutely no connection to this individual or this address.

2. Submission Regarding Deficiency of Service(Reported within 35 Minutes):
In their response to your office, Axis Bank has stated: "transactions are processed electronically without any manual intervention. Hence, once the transaction is authorized and approved the same cannot be stopped or reversed".
I reported this fraud to Axis Bank within just 35 minutes of the transaction occurring (**Please see attached: 1. Screenshot of the Bank's Transaction Alert showing the exact time of fraud, and 2. Initial Service Request Proof showing my immediate report)**.
I humbly submit that the bank's inability to stop the settlement when notified this quickly is a gross deficiency in their system. I request the Hon'ble Ombudsman to kindly evaluate my case under the protection of **RBI Circular DBR.No.Leg.BC.78/09.07.005/2017-18 (Para 7)** regarding zero liability for customers.

3. Prior Submission to the Bank:
I had previously submitted this exact Police evidence to Axis Bank's Principal Nodal Officer **(Please see attached: Complete Bank Email History),** but it seems it was ignored before they submitted their template response to your esteemed office.

4. Unjustified Interest Charges, CIBIL Damage, and Mental Agony:
Despite my submission of official police investigation data linking the transaction to an unknown third party in another state, Axis Bank continues to penalize me. They have generated a new billing statement adding unjustified interest and late payment charges on this disputed amount**(Please see attached: Latest Credit Card Statement)**.
Furthermore, in their attached response, the bank explicitly threatened me with collection follow-ups and negative impacts on my credit bureau records if I do not pay for this fraud. The bank's refusal to acknowledge the third-party evidence, combined with their continuous dismissive replies over the past weeks has caused me severe mental exhaustion, stress, and harassment.

Relief Sought:
I have immense faith in the RBI Ombudsman to provide justice to common citizens. I respectfully request you to review the attached evidence and kindly direct Axis Bank to:

1. Immediately reverse the unauthorized principal transaction of INR 105,766.00.

2. Reverse all interest, late fees, and financial charges levied on my card due to this disputed amount.
3. Rectify and restore my CIBIL/Credit score by withdrawing any negative reporting immediately.
4. Award suitable compensation for the severe mental agony and harassment caused by the bank's deficient service and coercive recovery tactics.

Sincerely,
Mandeep Singh

Dear Mr. Mandeep Singh,

Thank you for writing to Axis Bank.

This is with reference to your complaint raised on National Consumer Helpline (NCH) Portal, in relation to credit card XXXXXX7619.

Please accept our sincere apology for the inconvenience caused to you.

The reference number for the interaction is 9422255 (NCH Portal) and 260605733452 (with the Bank).

At the outset, please accept our sincere gratitude for the time taken and effort made by you in sharing your concerns with us.

Transaction Narration:
2026-01-21 2026-01-22 Billdesk*AMAZON,MUM 1240 -105766 (Debit) Billdesk*AMAZON 5288

Thank you for sharing your detailed feedback and for outlining your concerns with clarity. We sincerely regret the inconvenience caused and understand your dissatisfaction with the earlier responses, particularly in light of the multiple escalations and the seriousness of the matter.

We would like to assure you that your grievance has been carefully revisited with due consideration to the specific points raised by you, including your query on the timing of reporting vis-à-vis settlement, as well as the applicability of regulatory guidelines.

As per our records, the disputed e-commerce transaction amounting to ₹1,05,766 was successfully processed using valid authentication credentials through a secure payment gateway. We note your submission that the concern is not regarding authentication, but regarding the settlement phase and the timing of your reporting. In this regard, we would like to clarify that for such transactions, once authorization is successfully completed using the required authentication factors, the request is transmitted through the payment network to the merchant/acquiring bank for further processing. The subsequent settlement is carried out as per network-defined cycles and is not independently reversible at the issuing bank's end after successful authorization.

While we acknowledge that you reported the transaction promptly, the ability to intercept or halt settlement post-authorization is subject to payment network protocols and inter-bank processes, which do not always permit unilateral cancellation once the transaction has been validated and transmitted. As such, there was no actionable window available at our end to block or reverse the transaction after authorization had been completed through validated credentials.

With respect to your reference to the Reserve Bank of India (RBI) guidelines dated July 6, 2017, we wish to clarify that the provisions under customer liability are assessed basis the nature of the transaction, authentication factors involved, and the point of compromise. Since the transaction was authenticated using valid credentials prior to reporting, the case has been evaluated accordingly as per the applicable framework.

Regarding your concern on continued levy of charges, we understand the financial burden this may cause. However, as the transaction has not been found eligible for reversal, the associated outstanding and applicable charges remain payable as per the terms governing the credit card account. Nevertheless, your request for administrative consideration has been duly noted and shared with the concerned team for review from a service perspective.

We also acknowledge your escalation across multiple forums and your request for a detailed, non-generic response. Please be assured that this communication is based on a comprehensive reassessment of your case, including the specific aspects highlighted by you. The matter has been reviewed in line with established processes and available records.

While we regret that we are unable to alter the outcome in this instance, we remain committed to extending full cooperation to any regulatory or legal authority, as required. Should any additional information or clarification be sought by such authorities, the Bank will provide the same in a timely manner.

We value your association with us and sincerely regret the experience you have had.

The Bank's stance in the matter has been reviewed and approved by the Bank's Internal Ombudsman.

In case you are still not satisfied with the resolution provided, you may approach the RBI Ombudsman for redressal of your complaint by logging into the appended link:
